Summer Programs in the Mendocino Sector June 16th – September 6th, 2015

California State Parks and the not-for-profit Mendocino Area Parks Association announce a summer season of professionally guided experiences for the community and visitors to the Mendocino area. Programming includes: natural and cultural history walks, Junior Rangers, campfires, and education stations. Programs are led by District Interpreter II, Fred Andrews and his team of interpretive specialists; Joleen Ossello, Kristin Gordon, and Steve Jahelka. Weekly programs are offered at: MacKerricher State Park, Russian Gulch State Park, Mendocino Headlands State Park, Van Damme State Park, Hendy Woods State Park, and Greenwood State Beach.

The Mendocino Sector's geographic setting fosters the opportunity to experience dynamic natural history from the awe-inspiring ancient woodlands to sweeping oceanic views. Park visitor centers highlight the historical cultural changes of the past 150 years from the native peoples to the immigrants of the lumbering era. Programs are offered free of charge to the community and visitors who have paid park entrance or camping fees when applicable. For detailed program information phone 707-961-0471 or visit <http://mendoparks.org/> and <http://www.hendywoods.org/events/>. For camping reservations visit <http://www.parks.ca.gov/>.
